## **Acme Software GST 2.0 Updation Process**

## ***Some important points to remember before changing tax Percentage***

**\*\*\***

1. Take a complete backup of the current year and copy that backup to a pen drive.
2. If you have any E-Invoices to be submitted before September 22nd, please upload them all to the Invoice Portal.
3. Convert the expired stock challan entries into invoices.
4. Get all sales bills till September 21, 2025 and if you have already made a challan, get it billed.
5. If you are using Order App, get bill for all pending orders.
6. For Update GST 2.0, you have to run the exe given to you on the main machine. If you are using multiple machines, then check whether the software is closed on all the other machines and on the server. And after that, run the process given below.

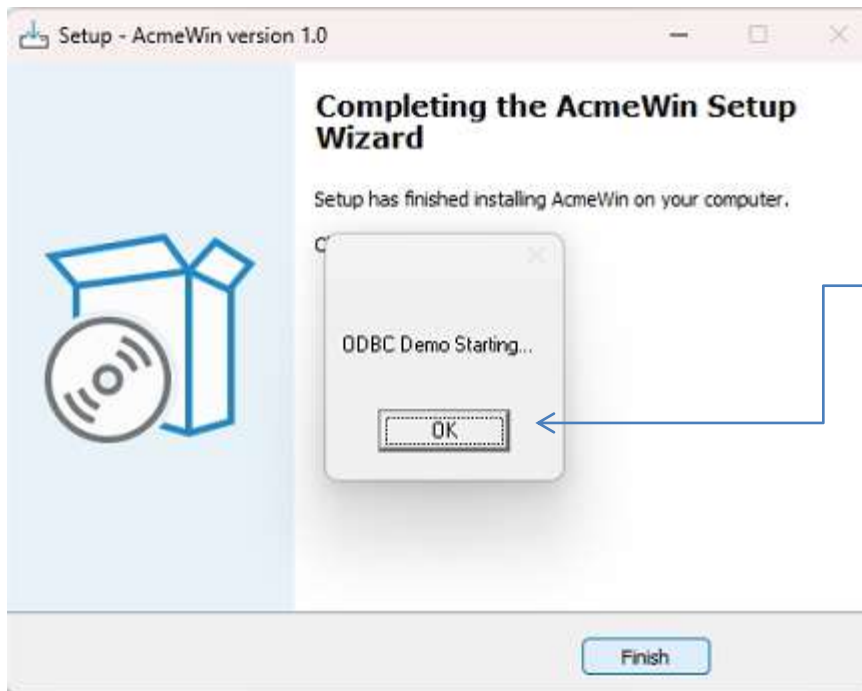

Download the sent exe file and paste it on your desktop. Right-click on that exe and select Run As Administrator.

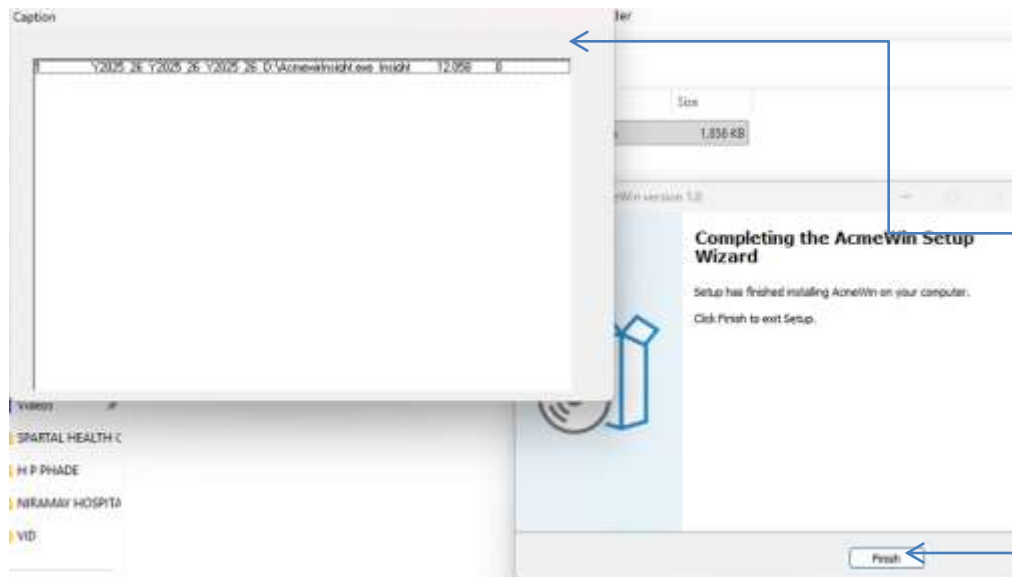

Click on more info and then again click on Run anyway.

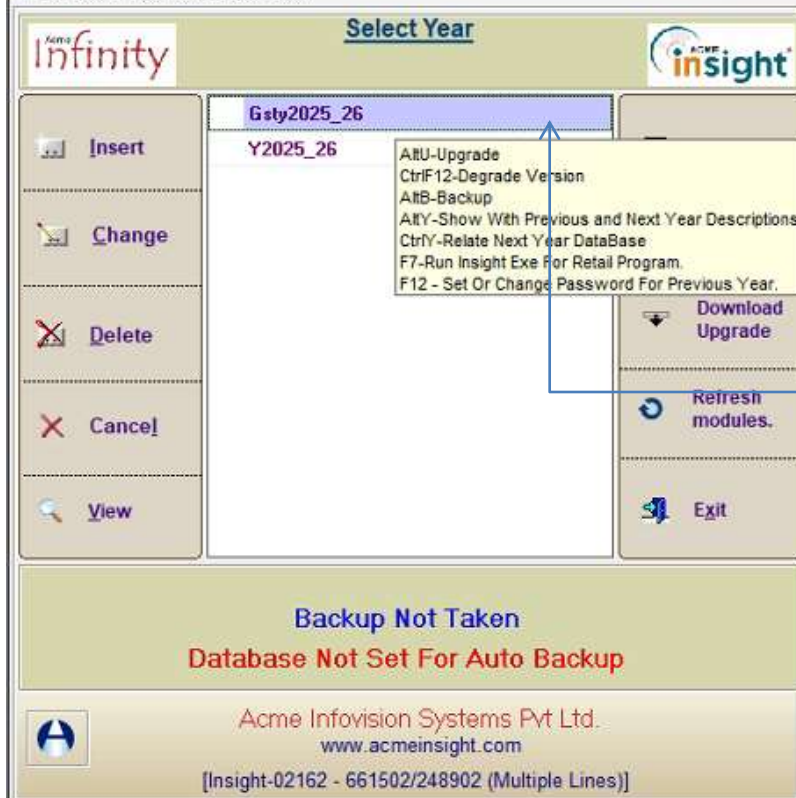

Click on OK button.

Exit the window that appears and click on the Finish button.

Escape the window that appears in front of you, click the Finish button and the software will open after logging in(GSTY2025\_26).
